### About this piece

#### Sir Frank Brangwyn attributed

A pair of mahogany armchairs, in the Chinese style with professionally reupholstered leather padded back and drop-in seat. These chairs share stylistic qualities with the famous armchairs he designed for the Salle Jacques Cartier aboard the S. S. Empress of Britain. He also designed two private dining areas, the Salle Wolfe and Salle Montcalm.

These chairs retain the iron stay ring beneath the seats which were used for securing chairs down while at sea during heavy weather. Price per chair.
