About this piece

Alice in Wonderland

Incredible suite of stained and leaded glass set in the original doors and windows. Please note this suite is in two listings, and the price here is for the five pieces in both listings.

A one-off commission removed from a large Edwardian home in England. In this listing, there are two doors with upper stained glass panels: one with Alice in Wonderland and the smiling Cheshire Cat sitting in a tree, and another door with the Mad Hatter watching over the sleeping Alice.

The entire suite consists of two full doors:

- Alice
- The Cheshire Cat
- The Mad Hatter watching over Alice

Measurements:
