About this piece

Daniel Cottier attributed. An impressive Aesthetic Movement ebonised cabinet for semi-fixing, with a gentle play of upper open shelves with turned uprights and turned legs and decorative brass beadings, gilt highlights, amboyna inlay to the central drawer and doors with painted panels of maidens amidst classical swags, 190cm high, 76cm wide, 33cm deep. The handles and hinges are identical to those used by Talbert on many other pieces he designed for Gillows.
