About this piece

E. A. Taylor attributed made by Wylie & Lochhead of Glasgow

An Arts & Crafts four-piece mahogany bedroom suite consisting of double wardrobe, dressing table, wash stand, and 54 inch wide double bed. Fantastic metal work throughout, and original brass candle caps to the dressing table with Celtic cutouts also to the washstand. Elongated hearts to the bed ends, and wonderful conforming cornices all with dental detailing. It is rare to find period bedroom suites which still have their beds.
