About this piece

An Arts and Crafts 1/4 sawn oak sidetable in the style of E A Taylor probably for Wylie and Lochhead with stylised cut-outs to each side and lower shelf. Superior design and quality. Height 26", Width 22", Depth 16". Circa 1900. I have another matched pair almost identical to this one the only difference is that they don't have the arched skirt under the table top. See sidetable page 2.
