### About this piece

#### E. W. Godwin attributed, probably made by William Watt

An Aesthetic Movement tall back ebonized armchair. The turnings are in keeping with other **E. W. Godwin** designs, and the arms are identical to the Old English or Jacobean armchair. The S shaped back is also the same as two other cane armchairs we have available on our website, and the same as a third **E. W. Godwin** armchair with a **William Watt** label now in a private collection.
