About this piece

Edwards & Roberts

An Edwardian Aesthetic Movement Queen Anne Revival mahogany wall cabinet with floral inlaid swan neck pediment and chequer and line inlays throughout. A central astragal glazed door opening to reveal a pair of adjustable shelves flanked by drooping bluebell inlays with quartered open mirror back shelves to each side and further line inlays, finished with inverted turned finials below the door.

The base with a lower shelf united with shaped supports and a central floral and swag inlaid decorated central panel with chequer inlaid border.
