### About this piece

#### George Jack for Morris & Co.

Stamped Morris & Co., 449 Oxford Street. An Aesthetic Movement walnut glazed corner cabinet, with an open display area to the top and dentil molded decoration with blind fretwork floral decoration above the astragal glazed center and side doors which all open to reveal adjustable bookshelves.

The sides have fielded panels and it stands on **George Jack's** unique style of wavy legs that are united by a shaped lower apron. We were recently fortunate enough to buy another one which will also be available in the near future. Priced here individually.
