### About this piece

#### George Montague Ellwood

Made by **Bath Cabinet Makers**, an Arts and Crafts oak sideboard and eight matching dining chairs. The sideboard features elongated slatted sides with heart cut-outs and stylized ebony and pewter inlays to the back and to the lower doors, with handmade copper handles.

Conforming ebony and pewter inlays are present on the eight dining chairs, which have the original leather seats.

**Eight matching dining chairs have now been sold. The price has been updated for the Sideboard only.**
