About this piece

A pair of small decanters

with silver tops and silver floral finials. Makers mark **G D & W S** are for **Greenwood & Watts** who worked in Hampstead, London.

The date code for "A" is *circa 1876*. In the manner of **William Butterfield**.

One lid requires silver brazing as the weld has come free. It has no damage and it is a simple repair for a silversmith.

Price for the pair.
