### About this piece

#### Liberty & Co., attributed

In the style of **E. G. Punnet**. A good pair of English Arts & Crafts walnut dining or side chairs with stylized floral mother-of-pearl and fruitwood inlays to the headrests, three shaped backrests with upholstered seat and subtle tapering front legs from square to round, on pad feet.

A tight and sturdy pair of chairs. There are some tiny nibbles to the pad feet as shown in the last images.
