About this piece

Attributed to M. H. Baillie Scott

A hand forged iron grate with integrated andirons. Scroll details to the top and to the front.

The grate measures 12" across at the very back, 10" along each side, and 18" at the front where the grate starts. The fire dogs are 37" apart at the furthest toes and protrude 11" from the front of the grate to the front toe of the dogs.

The overall depth from the front toe to the very back is 21".
