About this piece

By **Maw & Co, Benthall Works, Broseley (Salop)**, an earthenware **tile** aligned to the *Arts and Crafts* movement (1880–1910), **c.1900**. Square dust-pressed body with a central **soldier** portrait in a roundel surrounded by **foliate spandrels**, from the **Floreat Salopia** series that celebrates Shropshire. Printed in a deep green against a dark ground with a clear glaze that gives good depth to the line work.

Minor wear consistent with age, including a **tiny edge nick** and light **surface scratches** noted on inspection.
