### About this piece

#### Waring and Gillows

Ten Arts and Crafts oak tub chairs with shaped solid seats and striking semi-circular stretchers. Two armchairs have been dismantled, joints cleaned, re-glued, then cleaned and waxed, and the arms have now been professionally reupholstered in a quality leather.

Original metal **Waring and Gillows** labels to the underside of one. Restored with new leather arms £1500 each. I am happy to restore them and have the leather work done to your preferred colour.

Or I am happy to sell them as they are. Sale price is £1000 unrestored and £1500 fully restored with new leather to the arms.
