About this piece

William Arthur Smith Benson (1854-1924), a pair of Arts and Crafts brass swan table lights.

With the original switch. Stamped Benson on the bulb holder.

Price for the pair.

I always have a large collection of WAS Benson table lights in stock.

At present I have two more pairs of Swan lamps and a very rare pair of Swans with the original Benson switches. Four single Swan lamps and around fifteen smaller Benson table lamps with heart shaped bases two original pairs and ten more of slightly different designs, many with the counter weight ball incorporated into the design.
